PROFESSIONAL SUMMARY

Creative Director and Brand Strategist with 7+ years of single-industry focus in sports — leading visual identity systems, brand architecture, and integrated campaigns for federations, leagues, and international competitions. Expert in creative direction, art direction, campaign management, and AI-augmented content production. Built and led distributed creative teams fully remote since 2023, delivering 500+ assets annually at 10× traditional team output. Clients include La Liga Israel, Israel Football Association, Special Olympics Israel, Israel Paralympic Committee, and Winner League Basketball. Deep expertise in federation branding, brand guidelines, stakeholder management, and cross-functional creative leadership at an international level.

WORK EXPERIENCE

Head of Studio / Creative Director

2023 – Present

Sporta.Digital · Israel · Remote

- Led creative direction, brand strategy, and campaign management for major sports leagues and federations, producing 500+ digital assets annually across social, broadcast, and web channels
- Designed and implemented AI-augmented production workflow achieving 10× content output without increasing headcount; tripled output for Winner League Basketball in 4 months
- Directed brand identity and visual systems for La Liga Israel (+2,305% follower growth, +1,138% engagement per post), Israel Football Association (12+ sub-brands unified, full UEFA/FIFA compliance), and Israel Paralympic Committee (2 Olympic cycles, zero revisions)
- Managed cross-functional creative teams across Israel–Asia time zones; led stakeholder presentations, creative briefs, and project pipelines fully remote since 2023
- Mentored designers, set brand guidelines, and maintained quality standards at production scale across all client accounts

Art Director & Social Media Manager

2019 – 2023

Funatix Club · Israel

- Directed visual identity, art direction, and digital content strategy for marketing campaigns across social and web platforms
- Built cohesive visual storytelling systems and content calendars aligned with audience behavior and engagement data
- Applied UI/UX design principles to digital products and marketing assets, improving user experience and visual consistency

Creative Director & Founder

2019 – 2022

Bfain.Studio · Freelance / Independent

- Delivered end-to-end creative services — brand identity, motion graphics, and digital development — for sports and commercial clients
- Managed client contracts, licensing negotiations, and project scope independently using concurrent LL.B legal training — no external legal support required

SELECTED WORK

La Liga Israel

Brand Localization · Fan Engagement · Content Strategy

+2,305% follower growth. +1,138% likes per post. Full-season content system built to make La Liga feel genuinely Israeli while holding global brand standards.

Israel Football Association

Federation Brand Identity · Visual Systems · UEFA/FIFA Compliance

12+ sub-brands unified. UEFA/FIFA compliant. Unified brand architecture for three national competitions — built to outlast any individual campaign or season.

Special Olympics Israel

Original Brand Identity · Emotional Branding

4,000+ athletes represented. First original SOI identity. Built from scratch — not a licensed global template. Designed around athletic pride, not disability.

AI-Augmented Creative Production System

AI Workflow · Production Design · Team Leadership

10× output. 500+ assets/year. Zero quality drop. End-to-end AI production infrastructure — prompting logic, quality gates, brand compliance checks — tripling content volume without adding headcount.
